

CAROL HAIGH

Carol Haigh was born in Lincolnshire, England in 1953. In 1955 her family immigrated to Canada and settled on Salt Spring Island in the Gulf Islands of British Columbia. She grew up on the island and was educated at the public school in Ganges.

Carol is a self-taught painter. As a child she had a natural talent for drawing and painting and she has always been inspired to create. She has designed serigraphs, carved in wood and stone and experimented with various methods and mediums in her painting. By 1990 Carol had become most comfortable working with acrylic paint on illustration board and since then she has been consistent in producing her high realism paintings.

Carol has a history of sailing and travelling and although she is best known for her seascapes and sailing images of the west coast, her work has also been influenced by visits to the South Pacific, New Zealand and Australia. Wherever she travels, the ocean is her muse and her love for the sea is apparent in her paintings.

Carol has shown her work in numerous solo and group exhibitions in Vancouver, Ganges, Victoria, and Sidney, BC. Her paintings can be found in private collections around the world.
